

Creating an economically and ecologically diverse landscape in Iowa and beyond.

## 5th Annual Raptor Release

Whiterock Conservancy and SOAR

Invites you to the release of an

American Bald Eagle

2 Red Tail Hawks & 2 American Kestrels

This event is free and open to the public!

At the Burr Oak Visitor Center

September 1st, Starting at 2 P.M. Until 4 P.M.

Watch as rehabilitated birds are released back into the wild!

*Our 2013 guest speaker is Kay Neuman who will be discussing the importance of non lead ammunition and what it means for all birds of prey. She will also visit with us on the current Osprey program and how areas like Whiterock are vital to these birds and how Wetland Reserve Programs benefit all of us.*

*There will be a silent auction.  
Food and drinks will be provided.*

**Win a chance to release one of these majestic birds!**
