

## **A Heartfelt Thank You to Our Volunteers and Staff**

Whiterock Conservancy held its annual volunteer and community recognition and thank you dinner on Friday, March 22. Over 50 people joined us at the Bur Oak Visitor Center for a meal and short program. We are grateful for the staff, volunteers, and community businesses and organizations who help Whiterock Conservancy continue its land grant mission.

It is difficult to imagine how we'd operate without our volunteers' commitment and hard work in all aspects of Whiterock Conservancy. Volunteers helped us with oak savannah restoration, landscaping projects, stewardship programs, prairie burns, building maintenance, pond aeration and stocking, and fence removal. Organizations and local businesses helped us with needed supplies, services, and expertise. We have so many to thank and so much for which to thank them.

If you are interested in joining our volunteer program, please visit our web page about getting involved:
